For dividing dry material such as gravel or sand.

Aggregate

Sampler Splitter

Type	Parts Name	Specification
BA 201.1	Sample Splitter	Stainless steel, clute width ½", 12 holes
BA 201.2	Sample Splitter	Stainless steel, clute width ¾", 12 holes
BA 201.3	Sample Splitter	Stainless steel, clute width 1", 12 holes
BA 201.4	Sample Splitter	Stainless steel, clute width 1-½", 8 holes
BA 201.5	Sample Splitter	Stainless steel, clute width 2", 8 holes
BA 201.6	Sample Splitter	Stainless steel, clute width 2-½", 8 holes
BA 201.7	Sample Splitter	Stainless steel, clute width 3", 8 holes
BA 201.8	Sample Splitter	Painted Steel, clute width ½", 12 holes
BA 201.9	Sample Splitter	Painted Steel, clute width ¾", 12 holes
BA 201.10	Sample Splitter	Painted Steel, clute width 1", 12 holes
BA 201.11	Sample Splitter	Painted Steel, clute width 1-½", 8 holes
BA 201.12	Sample Splitter	Painted Steel, clute width 2", 8 holes
BA 201.13	Sample Splitter	Painted Steel, clute width 2-½", 8 holes
BA 201.14	Sample Splitter	Painted Steel, clute width 3", 8 holes
